# PERFORMER

NISSAN  
DESIGN  
STUDIO  
FOR MICRA

Team up your NISSAN MICRA's Gunmetal Grey body with an Energy Orange exterior pack. Amplify the force with a shark fin antenna, spin those sculpted wheels and go for the ride of your life.

17" ALLOY WHEEL SCULPTED  
KE409-5F210

Sharp aerodynamic styling meets comfort and convenience. You don't have to remove the shark fin antenna in the carwash and it stays in place for the whole cycle too.

## NISSAN EXTENDED WARRANTY

Nissan 5 year Extended Warranty provides you with ongoing protection after the standard warranty ends.

Protect your MICRA for longer with our comprehensive Extended Warranty cover to extend your cover to 5 years or 250,000kms whichever comes first.

The Nissan Extended Warranty covers the cost of repairing or replacing covered mechanical or electrical components should they breakdown due to warrantable defect of material or workmanship during the period of cover.

If you sell your Nissan privately, you can transfer the cover to the new owner adding value to your vehicle when you sell. Transfers are free.

## NISSAN SERVICE PLAN

Nissan Service Plan is the easiest way to give your Nissan MICRA the maintenance it deserves while you save money in the long run.

Nissan Service Plan provides a convenient and easy solution, enabling you to spread the cost of your servicing needs by making low monthly payments rather than having to pay the full amount all at once.

Nissan Service Plan also ensures that your Nissan MICRA is serviced in line with manufacturers recommendations/specifications giving you peace of mind motoring.

A well-maintained vehicle offers Nissan drivers safety, reliability and economy with a "FSH" (Full Service History) also protecting future residual re-sale values.

Nissan Service Plan customers can also rest assured that your vehicle is maintained and serviced by qualified Nissan technicians using Genuine Nissan Parts.

# MICRA STYLE

## NISSAN INTELLIGENT MOBILITY

Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.
